

**For Models** ▶ 2412N

**Description** ▶ 305MM/355MM PORTABLE CUT-OFF

## CONCEPTION AND MAIN APPLICATIONS

The #2412N is the remodeled type of #2412 and the design is renewed, which has been developed while aiming at low cost, easy-to-use and safety to satisfy the request from the sales field.

Also, the #2414 is the sister version of it, wherein the grindstone with diameter 355 mm is installed compared with the #2412N with 305 mm to cope with the users' demand for much larger diameter grindstone.

### ► Specifications
